# Legal framework

---

- The Convention on the Rights of the Child (CRC) is fully incorporated in Norwegian law on human rights
- In 2014 Norway implemented articles of CRC in the Constitution
- Norway have also strengthened the legal position of children in the Immigration Act and the Immigration Regulation.

# Identifying vulnerable children

---

- Everyone has an obligation to identify a vulnerable child
- Easily accessible guidelines for identification and referral

# Special unit for children

---

# Improving the asylum process for children

---

- Ongoing project looking into the whole asylum procedure from a child's perspective
